

“School News to Know”

The Spotswood School District is proud to announce our “School News to Know” project. This initiative is designed to inform our greater community about happenings and highlights from our district.

Issuing one of the following monthly, a newsletter regarding our current seniors will be presented in *Senior Scoop*, our current events and programs in *Spotswood Slate*, our history in *Charger Chronicler*, and our graduates in *Graduate Gossip*.

While newsletters will be shared on all district communication platforms, they will also be posted on the Borough website to engage our entire community. We hope that you enjoy this project and get to know our schools and our students a little bit better.
