

April/2011

Call to order

Present

Jack Eichenlaub, -Chairman

Marc Fafara, -Secretary

Chris Borzuku

Chuck Hager

Gary Castellano

Dennis Kosty

Agenda *We agreed that our commission wants to have a new agenda or project.*

Devoe Lake *Our town received a grant to build a new dock at the lake. They are now accepting applications for bids. Our commission submitted plans for a gazebo at the lake to the town's administrator. We are waiting to hear from the counsel. We also discussed planting trees at the lake with a brick to dedicate a family name or vets. New Christmas pole decorations were also another idea at the lake.*

Historic sites in town Discussed having more recognition of historical and marker locations in town. We agreed that historical etchings could be displayed around town. The cost is about \$150. Railroad stones that were found are to be placed in front of the municipal building. No specific time frame.

Library funding The commission discussed that the library might be able to help us with funding. We will present our agenda in writing to the library association board.

Other business

Banners still need to be put back on their poles.
