Agenda

We agreed that new Christmas pole decorations were a better agenda. We would raise funds by selling advertising to the welcome to Spotswood signs. All agree.

Historic sites in town We agreed that historical etchings could be displayed around town. The cost is about \$150. This will be purchased by a grant. Railroad stones that were found are to be placed in front of the municipal building. No specific time frame.

Other business

No meetings for the months of July and August. We will meet in September.
