***History Committee** The commission will begin video research taping groups of residents during the months of January and February. They will be broken down into various groups, nine people per group for a total of twenty- seven residents. Some of the residents being interviewed have lived in the town for more than 50 years others are decedents.*

***Devoe Lake** Ron Fasanello has contacting the county and state regarding grants and permits. The town's goal is to have the lake dredged by the end of 2010. A contracting company has shown interest in helping us. We would like the lake area to be the center of our town, where residents can enjoy recreation and historic benefits.*

**Historic sites in town** Discussed having more recognition of historical buildings and marker locations in town. We would also give a brief history and photo display on our website. Marc Fafara is looking into this matter and will discuss the locations with the commission.

**Other business** Discussed displaying historical items from the town, in a case in the municipal building or library. The commission will contact the library to see if we can get some of their funding to help us this year with our agenda. Shoprite will donate a mural of historic pictures to be placed in the municipal building. A local resident gave old pictures and a diary to the commission. A 1960's old scrapbook was found at Spotswood High School.
