RE: IMPROVEMENTS TO MADIE AVENUE – PHASE II
FY 2016 NJDOT MUNICIPAL AID PROGRAM
SPOTSWOOD, NEW JERSEY
OUR FILE NO.: PSP00634.01

Please be advised that on Saturday, September 9, 2017, weather permitting, work will commence on the final paving of Madie Avenue between Easton Avenue and midblock between Ertle Avenue and Kane Avenue.

Our office will have a representative on-site during construction to monitor the work of the Contractor, S&G Paving, Inc. (732-521-1936).

In order to facilitate the work, we respectfully request no cars be parked on the street while the work is being performed as the road will have to be closed for the duration of the paving operation. During this period, detours will be posted.

On behalf of the Mayor and Borough Council, we would like to thank you for your anticipated cooperation in this matter and apologize in advance for any inconveniences that may be caused during construction.

Should you have any questions regarding this matter, please do not hesitate to contact this office at 732-727-8000.
